**Bestway**

**ANNIVERSARY**  
**1994 — 2024**

Three decades ago, Bestway created its very first product: a beach ball!

Since then, Bestway has produced over **1,100 products** in more than **120 countries** worldwide. In fact, 1 in 50 people around the world owns a Bestway product.

From our commitment to **innovation** and assuring the highest **quality** possible, to our vertically integrated manufacturing systems and **sustainability** efforts, every product Bestway creates centers on one goal: to help our customers get the most out of life by enjoying more adventure and making more memories.

Here's to the first 30 years, and to many, many more as we help people "**Live It Up!**"

# OUR VISION & MISSION

**Our Vision** has remained the same since we created our very first product – a simple beach ball – in 1994: to create high-quality, innovative, recreational products that bring fun, relaxation and adventure to people’s lives. Behind that vision is our mission to create memorable experiences for families who want to splash into summer, relax in winter and make the most of every moment year-round.

Now over 30 years later, **Bestway** has forged a global presence in more than 120 countries by developing over 1,100 products and becoming forward-thinkers about sustainable business practices.

# SERVICE

**Bestway** is committed to customer satisfaction and providing you with the best product solutions. Our advanced online services and customer service team allow customers to easily resolve issues that arise with their products, offer downloadable manuals and instructional videos, answers to their frequently asked questions and call support.

# WHAT'S NEW AT BESTWAY

In 2020, Bestway opened our doors to a **new, clean, state-of-the-art manufacturing facility in Vietnam** in an effort to diversify our production capabilities globally. With rapid plans for expansion, this new facility offers additional tariff-saving opportunities and flexibility in Bestway's global manufacturing efforts.

Our Vietnam facility currently manufactures air mattresses, air pumps, pool filter pumps, inflatable pools, pool covers and trampolines. These products go through extensive PVC, lab and lifecycle testing to ensure high-quality and longevity.
